From the moment you walk through the front door this two level penthouse oozes elegance. 2 large bedrooms and 2 bathrooms all with the quality fittings you would expect of a masterpiece. Downstairs enjoy the spacious living and dining area or head out to the large balcony to entertain or simply soak up the beach side views. A wine room is a welcome addition as is the internal chairlift. This penthouse offers quality throughout including travertine stone throughout, timber floors, ducted air con and ceiling fans. The kitchen has Gaggenau and Miele appliances and a butler's kitchen. There are also plenty of storage areas, side by side secure parking for 2 vehicles and a lift shared only by one other apartment on this level. The extra large outdoor terrace is one of the largest in the complex and is like having one's own private garden up high. There is reticulation, an outdoor shower, rain sensor louvres and an outdoor kitchen. The Kerry Hill designed, award-winning development, feels more like a boutique resort, with a 25-metre heated pool, gymnasium, landscaped gardens, residents' lounge and a full-time building manager. You'll enjoy the low maintenance, secure, lock-up and leave nature of this beautiful property.
