New to Market

Welcome to this stunning 3 bedroom, 2 bathroom residence which has been beautifully renovated throughout and set on an elevated 515m² corner block. The frontage is secured and North facing with the option of either grassing or installing a pool making it the perfect home for a family to move into. Contemporary and practical in every sense this home features a well designed floor plan with cool, neutral tones filled with natural light from the large windows and high ceilings. The kitchen is functional and set in the hub of the house boasting gas cooking, overhead cupboards, stone benchtops and breakfast bar making it the ideal place to entertain as it overlooks the open plan family and meals area that leads out onto the gabled patio and low maintenance garden area. The 2 minor bedrooms are set away from the primary which allows plenty of privacy and are of great size with built in robes and a family bathroom being set adjacent. The primary bedroom is huge with a generously sized walk in robe and ensuite that features well appointed fixtures. With storeroom and double lock up garage this low maintenance abode all in close vicinity to cafes, restaurants, local school and transport is a must see.
