The position is good for this split level, recently renovated, rendered concrete block dwelling on a largely flat 455sqm lot about 30mtrs from the beach access track. Hyland Park (4kms from Nambucca Heads CBD) is a quiet community of around 200 homes. Running parallel to the Deep Creek Estuary System and approximately 700mtrs to the Pacific Ocean it offers a secluded lifestyle in a natural bushland setting with established gardens & solar hot water. This property has a modern Kitchen & Bathroom, beautiful slate tile floors throughout with carpet in the three bedrooms; large kitchen/dining area; comfortable living room with fan; rear deck and separate detached shed. There is a wardrobe & tallboy in the main bedroom & a wardrobe in the second bedroom. Other useful features include linen press and storage cupboards, large laundry and side carport with internal entry to the house.
