Reduced! Great Location

Set in a excellent location catching all the Sea Breezes, this 3 bedroom 1 bathroom Fibro Residence with colour bond roof features an open plan living area, 3 good sized bedrooms, bathroom, toilet and laundry, outdoors is a well constructed Carport & concrete driveway. The Property is in need of a major make over, but the basics are in place - the building is solid, well positioned on the Block to allow for further extensions. There is a real opportunity here when purchased to improve the Property and reap the benefits into the future.
