Discover your dream home in this quiet corner of town, where convenience and comfort meet. Close to schools, recreational facilities, and FoodWorks, this beautifully renovated residence has been thoughtfully designed and comprises four bedrooms, including a luxurious master suite, boasting a WIR and a stunning ensuite. The remaining bedrooms share a modern bathroom, offering both functionality and style. The versatile fourth bedroom is currently configured as a stylish hair salon, but you have the option to transform it back into a bedroom or create a studio/home office. There are two generous living spaces - a front lounge conveying warmth, and an open-plan kitchen/meals/family area designed for family time. The well-appointed kitchen showcases fabulous concrete benchtops, quality appliances, and exceptional storage. Engineered spotted gum timber flooring and a wood heater with custom-built bench and cabinetry add a touch of sophistication, while new double-glazed sliding doors seamlessly connect the indoors to the outdoors. The exterior is just as impressive with a large alfresco with exposed aggregate concrete and a fire pit area, while a cubby can be enjoyed by the young ones. A shed with an attached workshop and extra storage space ensures all your practical needs are met, while a double carport with rear yard access completes the package.
