Showcasing contemporary elegance throughout its carefully renovated interiors, this outstanding home meets every families need for space, privacy and luxury with accomplished ease. Transformed over the last few years, the high-set home is elevated away from the street promoting calm and tranquillity and enjoying north facing vistas over the green district. The dual level floorplan provides outstanding living options for the family with a large family room or breakaway space downstairs along with a bedroom suite and luxury near new bathroom. Doors open out to the pool, poolside terrace and entertainer's deck. The kitchen is a stunning space with Miele appliances and an island bench. With the hard work done, just move straight in, steps to the bus and parks and in the Wahroonga Public School catchment.
