With all the comfort you could wish for in a contemporary home set to a backdrop of easy-care gardens, this is what beautifully balanced living is all about. The obvious choice for growing families within the Beveridge Primary School and Wallan Secondary College zone, this move-in ready home is awaiting its new owners. Manicured gardens and a double garage with in-house access and front and rear roller doors set the scene for the excellence to expect inside. Herein lies a versatile interior beginning with the flexible formal lounge/potential home office situated at the front of the home. The central corridor flows past 4 beautiful bedrooms, including the main bedroom with walk-in robe and enviable shower ensuite, and the shared bathroom with soaking tub. At the rear of the residence, open plan living leading to the covered alfresco and level lawn area is a showcase of indoor-outdoor living. Comprising the family room, meals area, and kitchen with walk-in pantry, inviting island, stone benchtops, freestanding gas cooker, and timeless subway tiles will serve as the heart of this impressive home. With further features including ducted heating and cooling, a family-size laundry, modern wideboard flooring throughout, and a surplus of natural light, one fortunate family will enjoy a lovely lifestyle here.
