Lots 77/81 on Plan RW107 and Lots 78/141 on Plan RW 808, known as "Fairweathers". This is a magnificent parcel of 273 ha of Brigalow Scrub Country. Fenced into 3 main paddocks with a central lane linking all paddocks to the yards for ease of mustering stock. All of the dams have had recent work to them, securing an excellent volume of water. Windmills pump to a tank and concrete trough on most dams. This property is well fenced and well watered. The house is being rented at the moment and is located near the stockyards and sheds, including a fully enclosed hay shed. Mostly ex cultivation grassed for cattle production. This is considered to be a great Feeder or Bullock fattening property. A rare opportunity to purchase one of the larger parcels of Brigalow Scrub Country within the Selene Area.
