Capturing the very essence of low-maintenance style and in a highly convenient location, this renovated period semi offers easy living while being quietly situated around the corner from Pioneers Memorial Park, light rail transport and a choice of fine dining and café options along Norton Street. It features a bright modern design with crisp interiors and a private rear courtyard, plus it makes an ideal approach to home ownership in a brilliant inner west setting, equally certain to deliver consistent investment success. Two double bedrooms plus a dedicated home office at the rear. Separate lounge and dining areas with polished timber flooring. Paved rear courtyard with BBQ space and outdoor dining area. A modern gas kitchen with stone breakfast bar and dishwasher. Renovated bathroom with full bathtub plus a separate laundry. Quietly set in a boutique cul-de-sac with good on-street parking.
