Rest easy in this fully established, quality brick veneer home in a contemporary Epsom estate. There's certainly more than meets the eye here thanks to a flexible floorplan of great indoor and outdoor living spaces, which will suit both young families and downsizers alike. Open the front door to a welcoming entrance hall, with the master bedroom to the left. With a walk-in-robe and a generous ensuite with a wide shower and dual vanity, it's the private space you've been looking for. The further two bedrooms, with built-in-robos, are nicely zoned at the back of the home. There are up to five fabulous living areas here. Inside, there's a front lounge, a dining room, an open-plan kitchen/meals space, and a rear family room through double French doors. And outside, a tiled alfresco under the roofline is another welcome feature. The kitchen is the true heart of the home, and includes a dishwasher, under bench stainless steel oven and gas hotplates. There's also an L-shaped island bench, and a walk-in-pantry. Ducted heating and cooling is complemented by a split system in the living room. The compact block will be easy to maintain, thanks to being fully landscaped with gardens and a lush lawn. A fantastic eight-foot pittosporum hedge provides both privacy and year-round green views. Greenfield Drive is in a family-friendly precinct near the Epsom shopping village, the primary school, train station, and several childcare centres. What are you waiting for?
