This stunning 4 bedroom 2 bathroom home was constructed by Ashlee Jones Builders in 2017. The home has superior finishes throughout with a large 8x10m lockable shed to the rear of the property. As you enter through the large timber front door, the home opens up to a spacious air-conditioned open plan kitchen, dining and lounge area. The kitchen features stone bench tops, stainless steel appliances including a dishwasher, an electric wall oven, and a gas cooktop. Abundant storage space is available along with a spacious corner pantry. The expansive master bedroom boasts a walk-in wardrobe and ensuite, complemented by convenient outside access to the rear patio. The other three bedrooms feature built-in wardrobes, along with air conditioning and ceiling fans. The main bathroom showcases contemporary finishes, featuring a spacious shower and a separate bathtub. Additionally, for added convenience, there is a separate toilet. The internal laundry features an expansive laminate countertop with storage space underneath, complemented by a built-in cupboard located in the hallway. Additionally, it is equipped with a built-in laundry sink. The fully fenced property has backyard access along the right hand side of the home. With the block size being 1345m², it offers ample room in the backyard to turn around with a trailer and access the 8m x 10m shed. The shed has two lockable bays with a 3rd open bay. The roller door openings are high clearance, perfect to fit any of your outdoor toys. The home also features a generously sized two-car garage, capable of accommodating two 4WD vehicles.
