Finding a home with five bedrooms can be almost impossible, but this particular one is truly exceptional, boasting a multitude of enticing features! The living areas are generously sized and seamlessly connected, creating an open-plan ambiance. At one end, you'll find the living room, while a sunken lounge occupies the other, with a timber kitchen nestled in between, complete with a dishwasher. All five bedrooms are spacious, with the master featuring an ensuite, and the main bathroom equipped with a separate bathtub. Storage won't be an issue, thanks to the built-in options throughout the home. Outside, the property continues to impress, featuring a sizable undercover deck ideal for al fresco dining, as well as a large shed/workshop with a single garage space. The yards are fully secure and beautifully landscaped, with additional off-street parking available. Situated not far from the water's edge, where a popular walking track winds its way around to East Devonport Beach and beyond, this home offers both comfort and convenience in a great location. Pets are considered on application. Property is available from 25th March 2024
