Clean, white and bright and never lived in, this brand new three-bedder has been finished to a high standard. Soaring ceilings, clever window design and plenty of natural light, the continuous-flow layout strikes the right balance between private rooms and shared spaces. A sleek, geometric exterior and tasteful landscaping pave the way for a palatial primary bedroom suite featuring a walk-in robe and a deluxe ensuite. Two spacious additional bedrooms both come with built-in robes and share another immaculate bathroom, including a separate bath and shower and a separate toilet. The home's social focal point, your luxurious kitchen/living/dining zone, is anchored by a gourmet kitchen featuring a sit-up breakfast bar, smooth stone surfaces, generous bench space, custom cabinetry, tiled backsplash plus a walk-in pantry and premium appliances. Set against a private backyard with established lawn, sliding doors roll back to reveal a large under-the-roofline alfresco with tiled flooring. Occupying a sunny 336sqm, other highlights include a family-sized laundry with extra storage, split-system heating/cooling plus a double remote garage with internal and rear yard access.
