A Gorgeous Home With Breathtaking Views Situated on an expansive 6,482sqm block, on the high end of the prestigious Pepperberry Lane, is this gorgeous open-plan home. Boasting an abundance of natural light throughout, tastefully designed interiors and incredible mountain and ocean views, this property is sure to impress. The home is high-set and nestled amongst the trees, creating the perfect amount of privacy whilst also capturing the cooling sea breezes. Stepping through the grand double-entry doors you'll discover the spacious and open-plan layout. Stunning bamboo floors flow underfoot and large windows throughout make the home feel welcoming and bright whilst also framing the spectacular views perfectly. The gourmet kitchen features sweeping stone benchtops, ample storage space and stainless steel appliances, and flowing from here is the living and dining area. Large bi-fold connect this space seamlessly with the large private balcony which will be a wonderful spot to sip on your morning coffee as you listen to birds sing and watch breathtaking sunrises. The master bedroom with an ensuite will feel like an oasis to retreat to as it enjoys a beautiful bridge-style walkway to its separate area, and expanding the layout further are two more good-sized bedrooms and a separate multipurpose room that would make a great office for those who work from home. Backing onto the national park, this property offers the ultimate in privacy and tranquillity, all whilst being within easy reach of all that this area has to offer including shops, supermarkets, dining options and amenities. Airlie Beach is an 11-minute drive away, and for convenience, you can be at the Whitsunday Airport in 20 minutes.
