This double fronted property conveys quintessential period personality at first glance – and it's a fabulous first glance too! Beyond the elegant, engaging façade a series of superbly renovated spaces await, while the outdoor conclusion delivers significant desirability of its own. Each element enhances all the others to create an irresistible combination literally moments' walk from Spotswood Primary School, the cafes, shops and local village character of Hudsons Road and the convenient commute to the city provided by Spotswood station trains. Three welcoming bedrooms and two stylishly fitted and finished bathrooms including a main bedroom with a walk-in robe and an ensuite line an elegant central hall featuring fresh timber flooring beneath high ceilings. Living and dining areas of distinctive appeal accompanied by a contemporary kitchen – the benches, appliances and cabinetry combine beautifully – precede designer decking, an alfresco pavilion, with energy efficient solar panels above, and off street parking.
