Baley Row

\$340,000

They don't come better than this renovated dwelling in a commanding position across from pristine parkland. This property is an elegant find and stands as a testament to the value that people are giving back to our local homes. Renovated internally, this home supports the need for space whilst creating an abode that only requires you to complete it. The home welcomes you with a spacious lounge room and two large bedrooms, with built in robes to the master, accompanied by a modern kitchen and dining area. A central bathroom stands to service the home and to the back of the property is a modern laundry and separate toilet hidden by a barn style feature door. First impressions are important and this is a statement piece to your new home. You are consistently kept comfortable by ceiling fans and central heating throughout. Your home is standing towards the front of a spacious 711m² parcel of land proving a large, secured backyard. Inviting you out to the backyard, is a sizeable patio area to entertain your guests or dine outside. Also out the back is a secondary dwelling for your gardening tools or take on the challenge of converting this to a bungalow. If the backyard isn't enough, cross the road to open parkland space and kick the footy with your mates, picnic with your friends or entertain your furry friends. On offer to a broad market, no stone has been left unturned. We are excited to welcome you through.
