If you are looking for a beautifully presented and well built home, on a good sized block of land with some of the best views in Hidden Valley, this is one to put on your list. The house is Davis-Saunders custom build, one of the most reputable builders in the region, and has many desirable features. It was designed to take in the vista with all three rear rooms enjoying unbroken views across to Kinglake. There are two good sized living rooms, one is quite private and is ideal as a parents getaway and other one is very spacious, with room for your favourite lounge suite. The kitchen is a modern design with stone tops, an island bench, two dishwashers, 900mm stainless steel stove and range-hood, and plenty of pantry space and lots of room for all of your kitchen essentials. The adjacent dining area is also spacious and has plenty of room for a full size dining table. Outside there is a full width alfresco entertaining area, which is ideal for friends and family to enjoy. There are three good sized bedrooms, the master has an ensuite bathroom and a walk-in robe, the other two bedrooms are serviced by a full family bathroom with a separate toilet. With the established gardens front and rear and with a near level back yard, there is plenty of room for kids and pets to play. The house also features ducted cooling and ducted gas heating, and many storage and linen cupboards throughout. For your cars, there is a two car garage with internal access and good off-street parking. Hidden Valley is one of the most popular lifestyle estates in the area and with the brand new multi-million dollar country club being open just down the road, it has added even more appeal. Also, you are just a few minutes drive from Wallan's shopping precinct and train station. You can commute into Melbourne in around an hour via the V/Line train or the Hume Freeway. Hidden Valley is also serviced by buses from many schools near and far.
