Number 47 Tallerack Way is a super cool family home! Sitting on the high side of the street, and metres away from beautiful park lands too. The home is super spacious with 3 huge living zones inside, a big master bedroom, large kitchen, bar area and more! Outside is an epic gabled entertainers patio too PLUS a playground AND a plenty of sheds. It doesn't take too much imagination to see that with a little bit of a renovation, this home would move from being super cool, to being incredibly awesome, and while it is move in ready now, there are still opportunities here to add value! This is gem of a find and likely to be snapped up quickly, so please make sure you get to the home open this weekend and call the Mitchell Brothers today if you have any questions. Quick stats: * 700 square metres zoned R20/30 * Spacious 4 bedroom 2 bathroom home * built late 1980's * patios galore * optimised for family living * premium location.
