It is easy to see the possibilities offered by this property, situated on an 884m² lot on the corner of Wandoo Crescent and Wilding Street. The living room which welcomes you into the house with a wood-burning fireplace and a Fujitsu Inverted split system, flows seamlessly into the dining room and then into the spacious kitchen, which includes a gas stove, electric hot water and a dishwasher. In addition to split system air conditioning in two of the three carpeted bedrooms and a walk-in wardrobe in the master bedroom, all three rooms have ceiling fans. The neat and fresh bathroom with bath and a separate shower is easily accessible from each of the three bedrooms. Outside boasts a securely fenced low maintenance yard with side rear access and a large 6m x 8m approx. shed. 47 Wandoo Crescent offers an ideal entry point into the market for home buyers looking for a realistic means to break free from the renting cycle or with the low number of rentals available in Wongan Hills this home is the perfect fit for the astute investor.
