This 145 acre block offers a lifestyle or grazing opportunity with incredible views and endless opportunities. The valleys harbour water sources surrounded by tropical tree ferns. The property is fully fenced and conveniently located along the Palmerston Highway connecting the coast to the Tablelands, about 10 min out of the township of Millaa Millaa and 30 min from Innisfail. Naturally airconditioned with noticeably cooler temperatures in summer and a slight updraft up the valley from the coast, it offers itself to build a house along one of the ridges. The property has got cattle yards and a small lockable shed with road access of the main road. 145 acres Cattle yards Grazing Lifestyle Road access Great Views
