OFFERS OVER \$2,150,000

High on an elevated platform with spectacular valley views, this inspiring property is a statement in lifestyle. Spanning across a light drenched single level and embracing a northern aspect, the home is a family paradise with heated pool, half size tennis and basketball court and 4.34 hectares to play on. Gather around the slow combustion fireplace, stretch out in the multiple living and dining rooms, entertain in style on the verandah and patio or cook up a storm in the luxury gourmet kitchen. The peaceful setting is an easy drive to the showgrounds, bus services, local shops, Brookfield State School, OLR, Kenmore High School and Kenmore Village. Additional Features Include:

- Four bedrooms comprise three with built-in robes, a large 4th bedroom and master wing with a walk-in robe and ensuite
- Two bathrooms include a well-designed family bathroom with separate toilet and bathtub with vanity
- Generous floorplan with spaces to commune in or retreat to, high ceilings, timber floorboards and ducted air conditioning
- Two separate lounge rooms, one with a slow combustion fireplace, formal dining room and casual living/dining
- The elegant luxury kitchen will be a favourite boasting a servery area, pendant lighting and quality appliances
- A generous front verandah frames the home, expansive north facing entertainer's patio at the rear with divine views
- Solar heated pool, half tennis court with basketball rings, large four car shed with ample storage space
- Security alarm and sensors, 65000L concrete rainwater tank, sweeping lawn areas and gardens
