Opportunity knocks! This home will appeal to investors , first home buyers or those downsizing from a large home but still like the appeal of a level yard and garden to tinker in. This home makes for an ideal place to store your boat, van, trailer, or extra vehicles off the street, and in privacy. The spacious yard also allows a great area for pets or an inground pool. The home not only hosts a double garage but in addition has a workshop, home office, or teenage retreat.Comprising of:3 Bedrooms, all with built in robesPolished timber floorsA new kitchenFreshly painted throughoutNew blinds and ceiling fansA split system air-conditionerBe the first to inspect this home which is closely located to Floraville Public School, public transport, sporting fields, major shopping centres and popular walking and cycling paths.
