\$650,000

Here is a rare opportunity to buy a highly sought after apartment in one of South Brisbane most popular complex's 'The Village Apartments'. The apartment boasts many great features including; an open plan living area, stylish gas kitchen with stainless steel appliances, covered north facing balcony with views of the city, good sized master bedroom with built-ins and ensuite, built-ins in the second bedroom, tub in the main bathroom, internal laundry with extra storage, great security throughout the complex and one secure car space. The complex has excellent facilities with resort style sparkling in-ground pool, BBQ area for entertaining, gym, sauna, on-site manager, great security and only 3 apartments on your floor. Not only are you buying a stylish high quality apartment but a scarce location above 'Coles' Shopping Centre and only a 800m walk to the city and 400m to South Bank, with Boundary St cafes at your door. Units like this don't last long. You will have to be quick!
