This one is truly for those who want to be part of a modern transformation. Stylish and bespoke renovation is definitely an option with this property, which offers 2 living zones. You could also take advantage of the land size which is deceptively large, and redevelop into your very own brand new family home (STCA). Living features of the current classic include a bright living and dining room with bar, well-sized kitchen, private family room also with bar, 4 relaxed bedrooms, bathroom, laundry, great surrounding gardens, shed, single garage and single carport. This property sits in the esteemed Box Hill High School zone giving it another tick mark. This location also has a great walkability score, where you're only a short stroll to the picturesque Orchard Grove Reserve, Eley Park with tennis club, Burwood One shops, Burwood Brickworks, Blackburn South Shopping Centre, Houston shopping strip, Orchard Grove Primary School, buses, and Burwood Highway trams to the city. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
