Beautifully Renovated Beach House overlooking Light House Beach. With large undercover decking to the front of the home provides expansive views of the coastline and connecting in three separate access points internally. With polished timber flooring and natural colour tones bring the coast theme to the forefront. A flexible floor plan places two bedrooms downstairs that join up – perfect for young children or for someone wanting their own separate lounge room. The master bedroom is upstairs with the main living and dining – all opening onto the deck with a separate study overlooking the fully fenced back yard. Notable features include reverse cycle air-conditioning, double garaging with workshop space, and off-street parking for the boat or caravan. All within walking distance to popular cafes and eateries and of course the beach# To apply for this property, please use this link- <https://app.snug.com/apply/pattersonrealestate>Our preferred method for applications is via Snug.com# To apply for this property, please use this link- <https://app.snug.com/apply/pattersonrealestate>Our preferred method for applications is via Snug.com
