Central to the home, the open-plan living and kitchen area features large north-facing windows, which allows this space to fill with natural light. The kitchen offers a walk-in pantry and stainless-steel appliances, including a dishwasher and a Westinghouse gas stovetop with a freestanding oven. The spacious master bedroom is at the rear of the home, finished with an ensuite complete with a large vanity, a luxurious oversized shower, and a walk-in robe. The remaining bedrooms are generous in size and feature built-in robes. The large family bathroom is completed with a freestanding bath. The outdoor area includes an under-roof alfresco directly off the family room and master, extending the entertaining space. The newly landscaped, low-maintenance rear yard provides any family member with a safe and secure place to explore.
