Feel like you're on holiday everyday! This Bali inspired home takes you on a journey the moment you step onto the timber deck. It's easy to forget you're in the heart of Corindi Beach. A complete surprise package, you immediately fall in love with the Balinese outdoor furniture and timber accents. There is also a workout/yoga room above the deck! This tranquil beauty keeps on surprising as you enter the courtyard, with wall art & color schemes setting the tone of this special home. Enter through the large timber doors & you are greeted with high raked ceilings throughout, the open airy living spaces adding to the appeal of the home. Every room has noteworthy features, including the bathroom which has a water feature! With six bedrooms and two bathrooms internally the home is ideal for a large family or as a holiday rental. The garage has plenty of storage for all your favorite Corindi Beach activities; kayaking, canoeing, surfing, fishing & more. Upstairs there are two very generous sized rooms with one capturing ocean glimpses. The Kitchen encompasses a beautiful timber standing bench & outlook over the courtyard. An additional studio with its own bathroom also presents a great space for family & friends to stay or additional rental income. The property is open, spacious and peaceful whilst still being extremely private. The Bali House is well positioned within walking distance to Corindi Primary, the Amble Inn and the Beach. Easy access to the highway both North & South bound makes this property your ideal vacation home.
