Are you a project enthusiast, a hobbyist or collector, business owner, Look no further! This unique property is all about the land – a sprawling 2900 sqm block where your imagination can run wild. If you have outgrown your current space or need the extra room to expand, this is your chance to secure this rural-sized plot in the center of Suburbia. Situated with excellent exposure on the main road, this property is a stone's throw away from the heart of Capalaba. If visibility matters to you, this is your golden opportunity. The vast block could be so versatile, need space for your projects, storage, or even a mini farm? You've got it! (subject to approval.) Two undercover carports are already present and in good condition to protect your equipment from the elements, there's even a garden shed! The house itself has undergone a refresher with new floors and fresh paint throughout, the kitchen has been updated with a brand-new dishwasher, Oven and cooktop – bringing it up to modern standards. Inside, you'll find three tidy bedrooms with ceiling fans, a separate living area, and dining space. The single bathroom, complete with a separate shower and toilet, is tucked away next to the large semi-detached laundry. And don't forget the quaint front porch—a perfect spot to sit and watch the world go by. This property offers a blend of space, convenience, and potential! What would you use it for?
