Simply stunning from beginning to end, this beautiful brand new build is a split-level sensation of light-filled living zones, classy contemporary tones and exquisite high-end finishes. Architecture and interior design masterfully curated by the award-winning practice of Jesse Ant Architects. Lush landscaped lawns and a picture perfect facade immediately set the tone for a 5-star floor plan that features a warming east-facing porch, striking parquet flooring and a grand entrance hall that culminates in a spectacular open plan living, dining and kitchen precinct. Stone benches, stainless steel appliances, a waterfall finished Island bench and breakfast bar, brilliant walk-in pantry and an abundance of soft-close storage highlight a magnificent magazine worthy kitchen that overlooks plenty of space to relax or to entertain family and friends. Bedrooms with robes include a hotel-style master with walk-in robe and an amazing en-suite with shower, free-standing bath and immaculate floor-to-ceiling tiles, while a guest room enjoys the convenience of a powder room and the second bathroom which features the sleek modern finishes experienced throughout all wet areas. Sun-drenched sliding stacker doors off the dining area connects to a perfectly private backyard with an open entertaining space, neat garden beds and the lush landscaped lawns that match those at the front of the property. Designed and constructed to provide a life of luxury where no detail has been overlooked, a study/office, heating, cooling, a double garage and a clever combination of portrait and landscaped windows are just some of the inclusions. Incredibly located within walking distance to Rangeview Primary School, Canterbury Rd shops and a number of surrounding parks and playgrounds, close to Vermont Secondary College, Brentford Square Shopping Centre, Mitcham and Heatherdale train stations, with great connection to the Eastland Shopping Centre, Canterbury Rd, Springvale Rd, the Maroondah Highway and Eastlink.
