Nestled in a very private, very peaceful, setting adjoining a leafy nature reserve, this lovely home boasts a nice big deck where you can take in the views of Lake Eildon and the forest covered hills. It might feel like you are out in the bush, but in fact you are in the heart of 'The Bay' with a selection of deep water boat ramps within moments and plenty of space to store your boat, jetskis and motorbikes under the house. There's also a lock up shed and plenty of room on the big quarter acre block to park additional vehicles. The home is nice and comfortable inside with a great fireplace and modern split system, new jarrah flooring and a stylish new bathroom. Large windows in the living room frame the beautiful lake views. The exterior has been completely repainted and there's a new colourbond roof and guttering. The wiring and plumbing has also been renewed so really there is not much left for you to do, except relax and enjoy the view! The property is currently leased so we do need a little notice for inspections. We haven't published photos with the tenants personal items but we can supply internal photos via email. And don't worry, we can offer vacant possession in time for you to enjoy an amazing summer right here! There's even the option to purchase it fully furnished...how easy is that?
