Redefined to perfection through a comprehensive renovation, this airy three-bedroom home raises the bar for modern family living. Providing young families or couples with a seamless blend of convenience and style, the open layout and large corner allotment merge a highly-sought low-maintenance lifestyle with stylish functionality. Opening beyond a striking monochromatic facade, solid timber floors invite easy living across a front lounge and dining room, where timber wall panelling brings an added sense of warmth across a crisp white colour palette. Permeated by natural light, the all-new kitchen offers parents the chance to keep kids within sight as rear garden views extend beyond a full-suite of Esatto appliances and ample cabinetry. Comforted by new premium carpet and ceiling fans, each of the three bedrooms welcomes rest within light-filled proportions while a central bathroom with full-height feature tiling and tub hides behind a barn door. Showcasing total functionality with a private toilet and open laundry space, split-system heating and cooling, young landscaped gardens, covered patio and a secure double carport, this generous 585sqm (approx.) allotment truly delivers for modern liveability. Situated only a stroll from The Pines Aquatic Centre, Mahogany Rise Primary and Monterey Secondary College, with convenient access to Peninsula Link and Frankston Freeway.
