Designed with the growing or grown-up family in mind this grand home built by Jussicq homes a leading low volume, high quality builder, offers you four large bedrooms, two living areas, dining and alfresco home. All bedrooms are fully robed with the main bedroom offering a large walk in robe and ensuite with twin vanity basins. The remaining three bedrooms are serviced by a large bathroom offering twin vanity basins and a large bathtub. An extra W.C and wash basin is also supplied. In keeping with the "larger family" design, this home offers an extraordinary amount of storage with four double door linen presses or cupboards. It has to be seen to be believed. Comfort is assured with the gas central heating and evaporative cooling. In addition to family room you will be mightily impressed with the alfresco/ A simple step through the sliding door and you will be standing in your own outdoor kitchen complete with hooded natural gas barbeque, glass door refrigerator, cupboards and sink with hot and cold running water. If you are thinking it may be a little chilly out there it's a simple case of lowering the automatic awnings to keep you nice and cosy. As for the motor vehicles, a massive six by six metre garage with automatic door under the roofline is provided along with an additional paved car space at the front to help with the growing family.
