Timeless by design, this four bedroom, 3.5 bathroom home is located for family lifestyle... and styled for a lifetime of entertaining. Grandly scaled with vast living-dining flowing to party-sized poolside decking, this classic home hides a quiet home-entertainment lounge beyond double doors, and steps up to a beautifully-balconied north-facing living zone for the perfect escape when the party's over. Designed to accommodate busy lives and changing lifestyles with a choice of master-suite upstairs and down (each with a well-fitted walk-in robe and stylish ensuite), this outstanding entertainer is appointed for an easy life. Starring a huge Smeg appliance kitchen (positioned to keep an eye on the poolside fun) and a similarly upscale laundry (to double as butler's pantry), this centrally heated and cooled home features additional reverse-cycle air conditioners for almost every bedroom, fan-cooling for the main living zone, robes for every bedroom, and great storage in understair and roof areas. Classically styled with authentic solid hardwood floors, stone benchtops (waterfall edge for the kitchen) and quality window furnishings including plantation shutters, this high-gabled and handsome home is set in groomed gardens with plentiful parking and an oversized auto-garage for how we live today and a sparkling solar heated pool with spa-seat and separate 8-person spa to live out the summer. One block to Sandringham College in this prized Sandringham-border position, this timeless entertainer has all the entertainments of Bayside life in reach; minutes to Sandringham village and station, equally close to Southland's retail therapy, and so accessible to all South Rd colleges and central Brighton schools.
