Here is a fantastic entry point to the housing market for a family or investor who is looking for something different. This one-of-a-kind home features two levels, with two bedrooms upstairs and one downstairs. The living area and kitchen feel spacious and open, with timber flooring and air conditioning throughout. Set on a 602 sqm block, the property has a sense of privacy as well as the added advantage of a garage and a fully-fenced pool for the whole family to enjoy. Put your own stamp on this delightful A-frame home with some new interior touches or use it as an investment opportunity. - 3 bedrooms, 1 bathroom, 1 car garage with a swimming pool- Huge upgrade potential in a convenient location
