\$700,000

An exciting opportunity in the heart of Kyneton with everything at your doorstep. This home has designer finishes with light filled spaces whilst being sympathetic to the town's gold rush origins. With quality throughout including high ceilings, timber floors, plantation shutters and double-glazed windows there is nothing to be done except move in and enjoy. The entertainer's kitchen with 900mm stove, stone benchtops flows onto the open plan living area and then onto the private outdoor living on manageable surrounds. Two bathrooms, two bedrooms and the rear remote controlled garage with internal access complete the package. Ideal for first home buyers, downsizers or investors, a perfect lockup & leave. Literally around the corner from the Aquatic Centre, Tennis Club and of course all the culinary delights of Kyneton. Position yourself for the future to take advantage of the ongoing popularity of Central Victoria's most liveable town.
