Raine & Horne Wagga Wagga

\$580 Per Week

Welcomed in from the very first glance, this stunning once in a lifetime opportunity is one not to be missed. Situated in the peaceful village of Uranquinty just a 10min drive to Wagga's CBD. Formerly 'Trinity Lutheran Church' this beautiful Chapel, was originally constructed in circa 1922 and now features the perfect balance of traditional charms and modern conveniences with a masterfully transformed extension into a charming four bedroom family home. It's stunning interiors and unique architectural design provide a truly exceptional experience, featuring a classic red brick façade, iconic windows, polished timber flooring, aged doors and steep gabled ceilings- treasures of a bygone era, that are rarely seen today. Be instantly captivated walking through the church doors into the centrally appointed, main living/dining area soaked in natural light through the original church windows and striking raked ceilings. A contemporary style kitchen is offered highlighting 900mm gas cooking, custom made cabinetry, a family sized benchtop with built in sink and breakfast bar as well as a butlers pantry (formerly the vestry room). The original part of the Chapel is effortlessly connected through a stained glass hallway bathed in natural light and opens onto the children's study nook. The extension has been well thought & planned and highlights all that a growing family desires including; four double sized bedrooms with master featuring a generous walk in robe & ensuite, all bedrooms with robes, spacious master bathroom with dual sinks, shower, bath & toilet plus a third toilet offered (ideal for visitors or a larger family), as well as split system air conditioner units and ceiling fans in each room to ensure seasonal comfort. Situated on a level 1164m² private block with ample room for the whole family to enjoy, the property also highlights a separate powered workshop space, created purposely with a gable to match in with the existing façade, as well as a double lock up garage with additional storage space conveniently located off the rear lane. The opulence, style, and uniqueness of this stunning property must be personally experienced to fully appreciate the ambience that the building, grounds and the location have to offer.
