Walk on through this spectacular space with multiple living and dining areas, all designed for comfort and entertaining and a generously sized kitchen with all state-of-the-art appliances and a slow combustion fireplace! This home offers four large bedrooms with built in wardrobes and the master bedroom offering a walk in robe and ensuite with double vanity and a modern style bath. There's plenty of space for your family and guests to enjoy a modern touch with the separate bathroom featuring double vanities and bath. For ultimate relaxation enjoy the covered outdoor entertainment deck all year round with the luxury of a built-in spa and sauna room overlooking the gardens and surrounds. An additional separate office space is located on the property for those that work from home or have many hobbies and need the quiet and space. This can also be used as an extra living space for those hosting family and friends or as an Airbnb for the extra income. The property is situated on 3.2 acres (approx.) with a two-story shed that offers an abundance of storage, a farmhouse that includes a chicken coop, cage area, feed room and stable, plus a seven-car garage for all your vehicles and equipment needs. Don't miss out on the opportunity to own this impressive property! - Four bedrooms with BIR and an ensuite & WIR to the main - Large kitchen with quality finishes, bench space & a slow combustion fireplace - Air conditioning & ceiling fans - Seven car garage - Separate office/workshop - Undercover entertaining area with a sauna and built in spa - Large two-story machinery shed - Farming shed which includes a chicken coop, cage area, feed room & stable - Solar panels - 3.2 acres (approx.)
