A ROOM WITH A VIEW!

Wow...what a view, only 10 minutes from Beechworth and 15 minutes from Wangaratta. Comprising 12.54 acres (approx.) the property offers a two bedroom open plan home with wrap around verandahs and a sizeable deck to soak in the view. The recently renovated kitchen boasts a full walk in pantry, huge island bench, dishwasher and is bathed in natural light courtesy of the glass sliding doors that open onto the deck. Both bedrooms are central to the main bathroom and the storage courtesy of the large laundry is ample. Adjoining the main home is a converted outdoor entertaining area that also houses a self contained bungalow with another two bedrooms, kitchen/lounge and bathroom. It's the perfect place for your guests. The handyman is not forgotten with a 9 x 6 metre workshop, fenced internal paddocks and sheep yards. If you want a peaceful rural lifestyle with a view, this is the one for you!
