The king size master bedroom has a stylish ensuite bathroom and walk in robe with the 2nd and 3rd bedrooms both queen size with built in robes and there is a lovely guest bathroom with deep luxury bath. The large attached double garage with remote control panel lift door and conveniently incorporates the laundry with its ample additional storage. There is dual access down both sides of the home to the rear of the property allowing for additional vehicle storage and a separate colour bond double garage with power for those who need workshop space or further secure storage.
