Nestled within the coveted Thornton's Wirraway Estate, this residence embodies the hallmark elegance that the McDonald Jones name is synonymous with. Cleverly designed to accommodate the growing needs of a modern family, this home presents a fusion of style and practicality. Boasting four well-appointed bedrooms, the master suite a standout, featuring a walk-in robe and an expansive ensuite adorned with Caesarstone benchtops, a separate toilet, and all the space you deserve. The remaining bedrooms offer built-in robes, ensuring ample storage for everyone. Central to the design, the spacious main family bathroom is located around the 3 remaining bedrooms for increased functionality. This space mirrors the ensuite with its stylings & features a deep bath and separate shower, presenting a space of relaxation and rejuvenation. The whole family have multiple living spaces to enjoy, along with a dedicated home theatre room, providing a fantastic retreat for movie night, or hotly contested online gaming with the kids. The modern kitchen is equipped with quality stainless-steel appliances and stone benchtops, with a large free-standing gas oven taking pride of place. Abundant cupboard space and a walk-in pantry effortlessly merge style with functionality. The kitchen is open-plan in nature & incorporates a secondary living and dining area, nicely sized & illuminated by natural light. Attached to this space, you step through the glass sliding door to the tiled alfresco area, perfect for unwinding or entertaining. Year-round comfort is assured with ducted air-conditioning throughout, while the gas connection adds an extra layer of coziness to fight off the winter blues. The double garage with internal access enhances the convenience of daily living. Situated in close proximity to bus stops and Wirraway Park, family-friendly experiences abound. Enjoy the convenience of Thornton Shopping Centre and local schools, as well as the new Maitland Hospital & Stockland Greenhills all just a short drive away. From a property investment perspective, we would see a return of \$650pw achievable.
