Over an acre of land (5624 sqm approx.) with access to the surf beach

Positioned against a spectacular coastal backdrop of vegetated, rolling, sand dunes in the National Park with access to the popular surf beach and moments from world-class golf courses and Hot Springs, this exclusive, 5624sqm (approx.) allotment is perfect for those seeking privacy, space and a natural environment for their custom, oceanside retreat. The generous land, dotted with Indigenous flora, beautifully blends gentle contours with an expansive level area, prime for a new home site complete with pool and tennis court, if desired. Surrounded by high quality homes, this prized, St Andrews Beach land holding with home plans (on request) inspires sea-change dreams.
