With stunning pool views and a relaxed open-plan living design, this holiday apartment represents the perfect location for anyone hoping to acquire a weekender in one of Caloundra's most sought-after resorts. Situated directly on Kings Beach, there are no roads to cross to access the sand and waves of one of the regions most loved beaches. With two well-appointed bedrooms connecting directly to the pool-view centred living area, this apartment is not only a perfect lock-and-leave beach home for a family but also, given the substantial holiday-rental opportunities available, this apartment represents a compelling investment opportunity. With restaurants, bars and cafés all located directly next to this complex plus being just a short walk into Caloundra's picturesque main street, the location of this property ensures that once you park your car for the weekend, you will most likely not need it again until you leave.
