A brand new home that hasn't been lived in on a green title with no strata fees, and is built with quality display home finishes. High ceilings, Ducted reverse cycle air conditioning, fully finished with blinds, carpets tiling, landscaped. Why wait to build when you can move straight into a quality built four bedroom two bathroom home. A large family room, built in robes and full alfresco dining. A perfectly designed and functional home with privacy in mind and little to no ongoing maintenance issues. Located in a great location, in a brand newly constructed sub division this home would suit lock n leave or a perfect rental home in a highly sort after booming market.
