Three generous bedrooms feature on the layout here, all with built-in robes and amply serviced by the bathroom that has both shower and separate bath. This sleep zone is able to be closed off from the rest of the house, handy for parents with younger children at nap time or bed time. Ideal for capturing the sun and spacious enough for large-scale gatherings the huge patio is easily accessed via glass sliding doors, and is perfect for gathering with guests for special celebrations or leisurely weekend barbecues with the family. There's plenty of room to move outdoors here, with an abundance of space in the fully fenced backyard for the kids and pets to safely play, and room too for the addition of garden beds for your spring vegie planting. A 3x3m shed in the backyard provides valuable storage for garden tools, bikes and scooters and there is off street parking for two vehicles in the front yard. So don't let this one pass you by.
