Created and completed to the most exacting standards of style and the highest levels of luxury, this seductive, sophisticated home matches indoor allure to outdoor appeal in the most brilliant way imaginable. The flexibility of a sitting room or study, the size of a central lounge and the dimensions of a separate living/dining area accompanied by a contemporary kitchen with a walk-in butlers pantry lead to the landscaped backdrop's sublime pool, spa and integrated barbeque zone. Five bedrooms and three bathrooms arranged over upstairs and downstairs levels contribute irresistible comfort to a home of peerless calibre, complemented by tones of timber, brick and polished concrete, heating, cooling and fabulous flair. Off street parking ensures convenience enhances the equation, desirably close to the water, the train station, Nelson Place and Williamstown Primary School.
