Centrally located, this property offers all the convenience of in town living. All three bedrooms have built in robes. Gas heating and ducted evaporative cooling will provide comfortable living all year round. There are two large living areas, one with french doors leading out to the rear garden and the pool. The double lock up garage will provide security for the car and storage with additional off street parking. Available from 1/7/24. Application required before inspection. Property Code: 1438
