Forget the Body Corporate fees, Sinking Funds, and having to get permission for anything, this is your own home to do as you please. A hidden gem, sitting behind private fencing on a large block of 889 sqm with dual access in a sought-after location is this unique private property complete with inground saltwater swimming pool. This 1 bedroom open plan with large lounge, dining, and a spacious galley-style kitchen complete with built-in pantry for plenty of storage. The master has a huge walk-in wardrobe and spacious separate adjoining bathroom. High cathedral ceilings, with full surround timber windows, look out to the tropical garden, overlooking the pool. A great shade structure, by the pool for afternoon basking. Another feature is the connected area outside the dining area for entertaining, bbq's or afternoon drinks. This property was designed to make full advantage of the Darwin climate and lifestyle. Evening brings beautiful native birds and wildlife into the tropical easy-care garden. Perfect sky views and west facing for sunrise, full moons and delightful evenings. To complete this package is Solar to reduce your energy bills. There is plenty of parking and room for the boat or caravan and plenty of room to extend the existing building with some imagination and you would have your perfect large family home. This property has so many options or just live in for a single person or couple. You will feel like you are on a never ending holiday.
