The concept on having a home that enables families to enjoy time together in spaces that are luxurious yet easy to manage and maintain is beautifully delivered by this bright, flexible dual level residence in an Altona North location known for its exceptional lifestyle appeal. An indoor-outdoor focus defines bright living and dining spaces accompanied by alfresco proportions and open-plan kitchen with a walk-in pantry, superb stone waterfall island bench, integrated storage and stainless steel appliances. A study, central bedroom and designer bathroom add to the adaptable downstairs dimensions beneath an upstairs level featuring three further bedrooms and two additional bathrooms, including a seductive master suite. A central lounge completes the upstairs proportions while ducted heating/cooling, double glazing, outstanding attention to detail and secure garaging confirm the quality. Second Avenue Grocer, The Circle, parks and schools are all within the sphere of this sensational property.
