This North facing Queenslander has all the bones and potential for your next dream project. Raised and restumped, updated wiring, plumbing and roof; you can start straight away on adding your cosmetic touches and transform this classic home into a period masterpiece. The extra height downstairs offers unlimited potential to build-in and double your liveable floor area. This home is ideal for those starting out, knowing they have a great foundation to build upon over time. Soaring ceilings, original VJ walls and many other classic features create a large open space for sensational open plan living. There is a great potential to tweak the floor plan to add an ensuite if desired. The lot is fully fenced and there is provisions for extra parking and caravan storage. Lennon Lane is a private and leafy area, enjoying the benefits of being able to walk to major retail and food outlets. You are just moments to schools, public transport, the Ipswich CBD, Riverlink and the HWY for the Brisbane commuters. ** This gorgeous home is ready for you to move into now**
