This stylish and sophisticated townhouse offers an effortless lifestyle in an enviable location. Designed for modern community living near waterfront hotspots including Altona Coastal Park and Williamstown Beach, this magnificent unit is what low-maintenance living is all about. Cleverly formulated to utilise every corner of its tri-level interior, this property is a showcase of smart construction. The ground floor features an oversize single garage, European laundry, deluxe shower bathroom, and bedroom with built-in robes and verandah access. The primary level with rich floorboards and high ceilings captures the essence of exquisite open plan living. At its heart is the gorgeous galley kitchen with sleek stone benchtops, gas cooktop, and glass splashback. Flanked by the versatile and sun-filled lounge and the dining area that leads to the balcony, this splendid space will be ideal for entertaining. Upstairs, the finishing touches of this fabulous home will impress. Each of this level's bedrooms boast built-in robes and their own luxurious ensuites, including the main bedroom with floating vanity, floor to ceiling tiles, and soaking tub. This exquisitely detailed and finely executed property promises to stand out for all the right reasons. Plan your viewing today.
